

MUSTAMÄE YOUTH CENTRE

MUSTAMÄE YOUTH CENTRE is a youthful, modern and cozy youth centre, where we provide a lot of different developing activities and opportunities for 7-26 years old youngsters. We have many rooms for different types of activities. We support youth initiative and their ideas. We also follow principles of non-formal education.

PROPOSED ACTIVITIES

All the activities that we provide are based on non-formal education and open participation. We have different workshop such as video and photo editing, handycraft, cooking, car driving. In our band room youngsters can learn how to play musical instruments or book it for their rehearsals. During summer we are also organizing activities in skate park and hosting lots of events such as scooter tournament, color festival, hike and 2 urban camps.
