What is the project about?

The main topics of the volunteering teams project are PEACE and INTEGRATION.

During these difficult times, learning more about peace, speaking about it and acting for peace became as important as never.

- The project will unite Ukrainian and Estonian young people living in Tallinn. It aims to give the young people a better understanding about peace. You are given the chance to put your ideas into action through the activities that will be planned and carried out during the project by the whole group.

- **IN THE END OF THE PROJECT, PARTICIPANTS WILL HAVE A CHANCE TO ORGANIZE COMMUNITY FESTIVAL ON PEACE AND INTEGRATION TOPICS.**

It is a nice chance for young people between 18-30 to gain new knowledge and experience in the peace related work and as a proof of experience and the gained skills, get a YOUTHPASS in the end of activity.
