

PÄÄSKÜLA YOUTH CENTRE

Pääsküla Youth Centre is one of 2 Nõmme district youth centres. The building of the youth centre used to be a cinema but in 2002 it was customized into a 3 floor youth centre.

Pääsküla Youth Centre is open to all youngsters aged between 7–26 years and it provides them with the biggest indoor skate park in Tallinn, offering an opportunity to use BMX, scooters, skateboards and skates. In addition, the 3rd floor of the youth centre is equipped with high class DJ gear for studying and playing electronic music.

Besides that Pääsküla has 2 floors of open space for all kinds of recreational activities and weekly hobby classes mainly focusing on music, cooking, art and handicraft, sports and fun tournaments. With the goal of being diverse and innovative there is always room for new ideas and activities in Pääsküla.

Our main directions are health, music and sports.

Proposed Activities

Amongst the hobby classes/activities there is a cooking class, scooter trainings, DJ- club, handicraft and art workshops, music committee and weekly tournaments. Volunteer can take part of running all these activities, and propose his/her own ideas as well. Communicating and playing with youngsters in a daily basis.

Volunteer profile

Volunteer should be active, interested in organizing different activities, open-minded and friendly. Overall we are open for volunteers with very different experiences and skills. Good English is required.
